## Technical Service Bulletin

**SUBJECT:** Availability of TIK10305

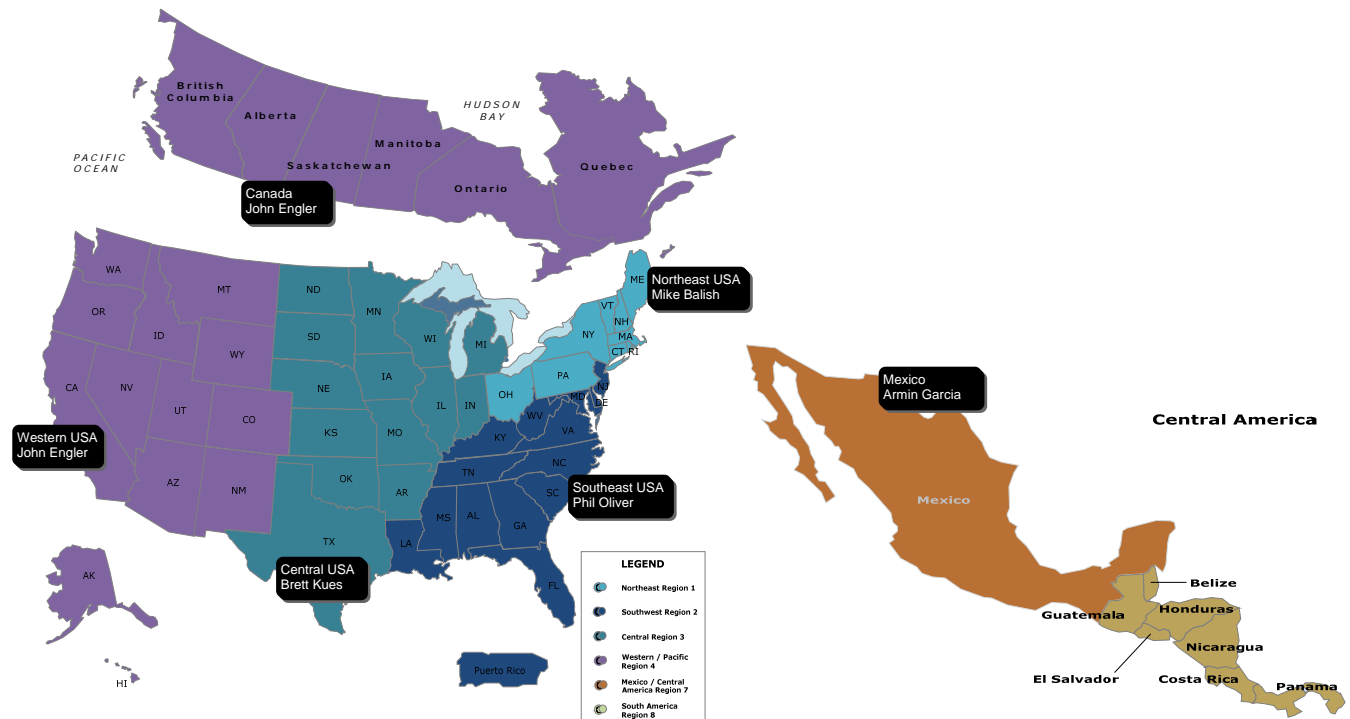

**Products Affected:** Chevy / GMC C4500 and C5500 chassis

**Effective Date:** April 1, 2010

Telma is committed to a philosophy of continuous improvement as a way of enhancing the end-user's experience with our product.

Due to the C4500 / C5500 chassis being obsolete from GM in September of 2009, Telma installation kit TIK10305 will no longer be available. Any orders for kits or spare parts currently on order will be honored but new orders will need to be handled on a case by case basis with your Telma representative. Please contact your Telma representative if kits or spare parts are still needed for these chassis.
